

# Jury Management

ACT Supreme Court, Canberra

27-28 July 2023

## About the program

The National Judicial College of Australia is pleased to announce a two day program on Jury Management. This contemporary program is designed to enable judges to develop more effective and efficient jury operations and management practices.

The purpose of this intensive program is to look at the many practical issues connected with managing a jury with a view to judges adopting tools, performance measures and best practices to address such issues.

Participating judges will gain an understanding of the juror's perspective, discuss the key aspects of jury directions, consider aides to directions and learn how to manage challenges that could potentially arise at all stages of a trial.

## Who should attend?

The program is aimed at trial judges with less than five years' experience.

## Cost and Inclusions

The Program fee of \$2,000.00 includes:

- Course materials and content;
- Morning/afternoon teas and lunches during the program; and
- Dinner on Thursday, 27th July.

Participants are asked to make their own travel and accommodation arrangements.

## Registration

Register and pay online at [njca.com.au](https://njca.com.au)
